Architectural wood doors that you'd expect from the industry leader

## OLIVE 8 - Seattle, Washington

Located atop the Hyatt hotel and spa in Seattle, Washington, Olive 8 is the city's newest addition to the skyline and is the tallest residential tower. Olive 8 condominiums offer a unique living experience located in one of Seattle's hottest neighborhoods. One bedroom, two bedroom, and penthouse homes make up the 231 unit community. Olive 8 is a unique living experience that successfully blends hotel amenities with condo living. Each residence has a spacious private balcony, and access to Room service, housekeeping, health club, spa, concierge service, and a discounted rate for rooms at the Hyatt. In addition Olive 8 offers the convenience of being within walking distance to the downtown business district and some of the finest restaurants and shopping. VT Industries manufactured over **730 Red Oak Flush Doors** for the project. All of the doors featured a custom finish and were distributed by U.S. Door & Hardware of Lake Oswego, Oregon.
